Subject: Update on the ongoing process of installing ramp for upper floor.

Dear Sir,

I hope this letter finds you in good health. I am writing to provide you with an update on the ongoing process of installing a ramp for the convenience of our differently-abled students in accessing the upper floor of our school.

I am pleased to inform you that we have taken the necessary steps to install a ramp, and the construction work is currently underway. We have ensured that the design and specifications of the ramp comply with the accessibility guidelines and safety standards set by the relevant authorities.

To provide you with a visual representation of the ongoing work, I have enclosed videography and photographs of the construction progress.

We will continue to keep you updated on the progress of the ramp installation, and we remain committed to the successful completion of this important project.

Thank you for your attention and assistance.

Sincerely,

Deepak Marwaha
Manager
